809.202

VISN QPL means a VISN Qualified Products List, a list of products qualified by a VISN under VA specifications, or purchase descriptions, or commercial item descriptions.

809.202 Policy.

The HCA may sign a justification required by FAR 9.202(a)(1).

809.204 Responsibilities for establishment of a qualification requirement.

- (a) Under FAR Subpart 9.2, VA may create VA QPLs for use on individual solicitations or on multiple solicitations issued by one or more VA facilities.
- (b) An HCA or designee must support the creation of a VA QPL using one or more of the following justifications:
- (1) The time required for testing the product after award would unduly delay product delivery.
- (2) The cost of repetitive product testing would be excessive.
- (3) Testing the product would require purchasing an expensive or complicated apparatus not commonly available.
- (4) It is in the Government's interest to be assured before contract award that the product is satisfactory for its intended use.
- (5) Determining acceptability would require providing product performance data to supplement technical requirements in the specification.
- (6) Conducting a test would result in substantial or repetitive rejections.
- (7) VA cannot economically develop clear, professional specifications for the product performance, balance, design, or construction, and professional judgment is required to determine whether the product is acceptable under VA requirements.
- (c) If VA plans to establish a VA QPL for any given product, the contracting officer may limit known suppliers to suppliers whose products are covered by a Federal Supply Schedule contract, as provided at FAR Subpart 8.4.
- (d) VA will pay the costs to inspect and test a product sample submitted under this section.
- (1) The product supplier must pay for the sample and its transportation to the place of inspecting and testing.

- (2) After inspection and testing, VA will return any product sample to the supplier "as is" unless:
- (i) The inspection or test destroys the sample; or
- (ii) The supplier authorizes VA to retain or dispose of the sample.
- (e) Once VA accepts a product for the VA QPL, VA may review the product for compliance with the applicable specification at any time.
- (1) Where there is a variance between a VA specification that was the basis for the VA QPL and the product furnished by the supplier, the supplier must furnish an item that conforms to the VA specification.
- (2) If the supplier fails to or is unable to provide a product that conforms to the applicable VA specification, the product will be removed from the VA QPL.
- (f) VA's acceptance of a product for listing on the VA QPL does not:
- (1) Guarantee that VA will accept the product in any future purchase; or
- (2) Constitute a waiver of the specifications as to acceptance, inspection, testing, or other provisions of any future contract involving the product.

809.206 Acquisitions subject to qualification requirements.

809.206-1 General.

The HCA may determine that an emergency exists, as provided in FAR 9.206-1(b).

809.270 Qualified products for convenience/labor-saving foods.

- (a) Each VISN Nutrition and Food Service representative is authorized to establish a common VISN QPL for convenience and labor-saving foods for use at medical facilities within the representative's VISN.
- (1) The VISN Nutrition and Food Service representative must notify the Director, Nutrition and Food Service, VA Central Office, of the establishment or amendment of any VISN QPL.
- (2) To avoid unnecessary duplication within a VISN, for medical facilities using an applicable VISN QPL under paragraph (b) of this section, the VISN Nutrition and Food Service representative must coordinate and consolidate test results and recommendations.
 - (b) Each medical facility may:
